

To whom it may concern,

My family and I are supporters of K-Love radio station in the Cincinnati, Ohio area and we feel it is vital to our livelihood to keep this radio station alive on the air. We have seen and heard of the miracles that has come from listeners that witness the many blessings that has come from listening to K-Love. We have it tuned to every radio in our homes, cars and workplace. We feel that strongly about keeping this wonderful station on the air. It's safe for the whole family. No worry that something obscene will be said or sung, unlike most of the stations today.

We want this station to stay on the air.

Sincerely yours,

The family of Mr & Mrs David Breitenstein
